Attn: Stan Rhodes

Cleveland, OH 44103

Dear Mr. Rhodes,

Thank you for your company's cooperation during an audit conducted by our auditor at your facility on November 9, 2017 as a manufacturer for our Qualified Suppliers List (QSL) program. Your company complies with all of our QSL criteria and provision for class 2 and 3 threaded fasteners. Our office will continue to list Auto Bolt (CAGE Code: 0CUJ9) as an approved manufacturer on our QSL program for the next three years.

Our office base your company's renewal status on the aforementioned audit, quality processes and procedures, corrective actions, and your renewal application. Please keep in mind audits may be conducted at your facility at any time, either announced or unannounced. Your company's qualification is always contingent upon your continual compliance with our QSL criteria and provisions. Our QSL criteria and provisions along with our applications for the different commodities are available to download on our QSL homepage website at <http://www.dla.mil/TroopSupport/IndustrialHardware/Engineering-and-Technical-services/Qualified-Suppliers-List/>.

If you have any questions, you can reach me by telephone at (215) 737-9020 or via e-mail: alonzo.miller@dla.mil. Thank you for your participation in the QSL program.

Sincerely,

Alonzo Miller
