

AUTO BOLT

We are currently looking to expand our 3rd shift and are in search of a Thread Roll Operator. Applicants with experience in Bear Kats (cylindrical die) are preferred, however, Auto Bolt will train those applicants that are looking to enhance their skills. Experience with Hartford's, Chun-Zu and Hand Rollers are a plus but not required.

Responsibilities:

- Set-up thread roll machines per drawing and specifications
- Load hand thread roll machines
- Perform quality checks and document, using gages, precision measuring tools and visual inspections
- Perform daily maintenance on machines as needed
- Perform periodic safety checks to ensure proper operation of machines
- Process paperwork in accordance with ISO standards

Requirements & Ideal Traits:

- High School Diploma or equivalent
- Mechanical aptitude
- Ability to stand/walk for a full shift
- Working knowledge of SPC and gaging
- Basic knowledge of measuring tools
- Ability to interpret blueprints
- Basic math and problem-solving skills
- Ability to lift 50 lbs.
- Team player with excellent communication and problem-solving skills
- Ability and willingness to work overtime as needed

All applicants should be willing to work hard, follow instructions, and be attentive to detail.

We offer a competitive salary, incentives, and benefit plan to eligible employees. Benefits include medical, dental, life insurance, disability, spending accounts and 401(k).

Auto Bolt is a drug free workplace. Auto Bolt is an equal opportunity employer. We maintain a policy of non-discrimination in providing equal employment to all qualified employees and candidates regardless of race, sex, sexual orientation, gender identity, age, color, religion, national origin, disability, genetic information, protected veteran's status, or other legally protected classification in accordance with applicable state and local law.

Job Type: Full-time

Pay Range: competitive pay based on experience

Interested candidates can submit a resume to kmeece@autoboltusa.com
