

AUTO BOLT

Tool & Die Maker

Auto Bolt is an independently owned and operated manufacturer of cold-headed fasteners. Auto Bolt provides fasteners for many industrial consumer applications, including automotive, truck and trailer, farming equipment, material handling equipment, recreational vehicles, and sports equipment.

Auto Bolt's success is driven by our employees, and we are looking for a motivated team player to join our team. If you thrive in a culture of strong teamwork and integrity, Auto Bolt is the place for you.

Responsibilities:

- Make and rework tooling as required
- Assist in problem solving to identify potential issues
- Assist/Support production with die set up as required
- Make/Rework tooling as required
- Operate various tool room lathes and grinders to produce precision parts
- Modify parts and material to improve overall production
- Calculate dimensions and tolerance using measuring instruments
- Perform routine maintenance on tool room machinery
- Perform tooling incoming and outgoing inspections

Requirements & Ideal Traits:

- Minimum of 3 years of tool and die experience
- Exceptional problem-solving skills
- Ability to read/use calipers and micrometers
- Ability to read blueprints
- Ability to work with Carbide
- Mechanically inclined
- Hardworking and motivated by success with the ability to work independently or as a team member.
- Excellent oral communication skills and proficient time management skills.
- Ability to collaborate and communicate within all levels of the company
- Willing to work overtime
- Exhibit Auto Bolt Core Values

All applicants should be willing to work hard, follow instructions, and be attentive to detail.

We offer a competitive salary, incentives, and benefit plan to eligible employees. Benefits include medical, dental, life insurance, disability, spending accounts, and 401(k).

Auto Bolt is a drug-free workplace. Auto Bolt is an equal opportunity employer. We maintain a policy of non-discrimination in providing equal employment to all qualified employees and candidates regardless of race, sex, sexual orientation, gender identity, age, color, religion, national origin, disability, genetic information, protected veteran's status, or other legally protected classification in accordance with applicable state and local law.
