

# AUTO BOLT

## CAPABILITIES

ISO 9001 CERTIFIED

### ABOUT AUTO BOLT

**AUTO BOLT** is a proud American cold-heading bolt manufacturer with more than 70 years of experience in quality bolt-making. All Auto Bolt products are 100% domestically made in Cleveland, Ohio.

Auto Bolt offers more than just a price point. We are your **PARTNER** who provides a customized approach, starting with quick, accurate quoting and carrying through to CAD drawings, die design and delivery.

**We specialize in custom solutions rather than one-size-fits-all products.**
